Who are you?  
You dare to free  
a prisoner of the  
radiant church?!

Likey!

You killed the  
church's followers,  
yet you have the  
guts to appear  
before us now?!

So you're called  
Likey, your  
infamy seems  
even greater than  
mine.

Shut up, your  
hands are free  
now, so use  
them!

Use my  
hands.....

Such trash doesn't even  
need me to use my own  
hands!

Bow, that was  
pretty good  
wasn't it!

I got here first!

Zassler, you  
lost so you'll  
clear up the  
battlefield.

Okay...

I didn't think  
such a young  
man could  
possess so  
much  
strength...

Clean up everything,  
don't let the radiant  
church find any trace of  
our presence.

It seems you  
have a bit of a  
grudge with  
the radiant  
church  
yourself.

Not exactly.

**I WON'T STOP  
UNTIL EITHER  
THEY ARE DEAD  
OR I AM!**

Good! It seems you have some potential,

Why not come and serve me, we can destroy the radiant church together, how about it?

Alright alright, let's not get hung up on authority, let's simply work together.

But I must personally kill that old bastard Inland

I want to annihilate the radiant church right down to its roots.

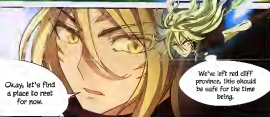

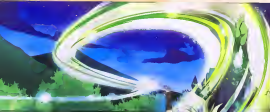

Deal

Let's go then.

Go where?

From now on, you can just follow me.

Okay, let's find  
a place to rest  
for now.

We've left red cliff  
province, this should  
be safe for the time  
being.

So dizzy....

you move... too  
fast...

so weak!

Well what's  
this  
stuff?

There's a wooden  
shack here, Zooler,  
you can go inside  
and have a rest.

I shall accept  
your hospitality.

Hey! let him sleep on  
the grass and that  
will be enough.....

Boss, who is  
that guy?

I see he's just a third tier  
warrior, why did the  
necromancer want him  
so badly?

There are three types of  
high magic, those who  
know how to use them are  
very rare.

The first is oracular  
magic, with users being  
able to divine the future.

Second is life magic,  
which gives a  
heaven-defying power  
to preserve life.

and third is death  
magic, this relates to  
undead, the souls of  
the deceased and other  
more sinister effects  
too.

That man is a death  
magic practitioner, a  
necromancer!

He previously summoned five ninth tier warrior undead, those alone are a frighteningly powerful force,

But it's likely he can also summon an almost unlimited number of lower tier undead!

But it's likely he can also summon an almost unlimited number of lower tier undead!

Wouldn't that make him equal to an entire army?

RM RESEARCH MATERIAL

That's right, there are accounts of a single necromancer eradicating an entire city.

Even without summoning, it's said they can conjure a plague to cause terrible destruction too, they are truly terrifying people.
